MEMORANDUM FOR: Deputy Director for Operations

FROM:

Chief, Soviet/East European Division

SUBJECT: Suggestion for the President

It might be useful to suggest to the President to make that distinction when appropriate. I believe that it is a legitimate distinction and it would be recognized as an effort to reach out to the citizens over the heads of the government.

2. I think it is also a good idea to refer to the "Soviet peoples" rather than "Soviet people." The latter formulation is the one used exclusively by the Soviet government; the former formulation, however, from our standpoint emphasizes the diverse nature of the Soviet Union.
